

Hello Peter,

Why have you made 2 Civil Actions 05-600 KAS and 05-536 KAS out of my complaint? I am requesting you, again, to add C/O DRUGASH's name to my list of defendants as well as the Commandant of State Police Troop 4 in Georgetown. One of this Commandant's agents signed acceptance of my registered letter, notifying Troop 4 that I wanted to press ~~mur~~ attempted murder charges against C/O Hammon and C/O Morgan (Female).

Once again, I am asking you to send me copies of the paperwork I sent your way to file my complaint (various letters and statements). You have usually sent me copies, previously, without my asking.... is there a change in your procedure I should know about? If so, please advise

Thank You,

Charles F. Cardone
